

TEXAS LAUNCHED AT NEWPORT NEWS

Notable Gathering Sees Super-Dreadnought Slide Into Hampton Roads.

MISS CLAUDIA LYON SPONSOR

Newport News, Va., May 18.—In the presence of one of the most notable gatherings ever assembled to watch the launching of a United States battle ship, little Miss Claudia Lyon, daughter of Col. Cecil Lyon, Republican national committee member from Texas, christened the Dreadnought Texas as she slid down the ways in the Newport News Shipbuilding Company's drydock today for her initial dip in the Atlantic. The Texas, besides being Uncle Sam's largest sea fighter, will augment the sea fighting force of the United States with first-class battle ship No. 16, which she is finally completed.

Miss Lyon, holding the bottle of champagne in readiness for the christening, was almost completely hidden from sight among the notables who occupied the launching stand. Around her were Gov. Colquhoun of Texas; Gov. Mann of Virginia; Secretary of the Navy Meyer, Admiral Dewey, and a large delegation of navy and government officials. Fully 12,000 people crowded into the shipyard to witness the launching.

The ceremonies were brief. While the distinguished visitors were escorted to the launching stand, a large gang of workmen busied themselves about the great mass of steel stationary on the ways, and hands from other battle ships enlivened the tedious wait with brisk sips.

Through Watch Launching. The throngs watched the Texas slowly settle by the bow, her stern rising until it topped everything but the great crane used for her construction. Then the 300 workmen that swarmed about the great cradle that was to transport the ship down the ways, ceased work at an order from the officer in charge, and a red flag was run up on the foremast. This was a signal that the giant ship was ready for the launching.

Miss Lyon took her stand at the head of the launching stage, a net-wrapped bottle of champagne in her hand, while workmen knelt about the remaining supports. At last a shrill whistle proclaimed everything in readiness, and a cheer went up as the great ship quivered and slipped slowly down the ways, her stern meeting the water with a tremendous splash.

Only Half Completed.

The Texas, as she floats today, is about half completed. When she is put into commission she will be equal to any Dreadnought on the sea, and will be the most powerful battle ship in the United States navy. Her contract calls for completion on or before December 11, 1912.

The Texas is not only in the Dreadnought class, but is in the "super-Dreadnought" class. In her main battery there are ten 14-inch guns. The secondary battery is composed of sixteen 5-inch rapid-fire guns, and her other armament is made up of smaller rifles and four 21-inch torpedoes. The hull of the Texas as launched today cost about \$5,000,000, and the battle ship, ready for war, will near the \$10,000,000 mark.

DENIED BILLBOARD PERMIT.

J. E. Shoemaker Refused Permit to Put Up Signs by Commissioners. In accordance with the policy of the District officials to reduce the number of billboards in the District, the Commissioners yesterday refused to grant a permit for the repair of a billboard in M Street Northwest, between Thirty-fifth and Thirty-sixth Streets.

Application for the repair of the billboard was made to the Commissioners by J. E. Shoemaker, of the Washington Bill Posting Company. Mr. Shoemaker pointed out that the billboard was a public necessity, as it served the purpose of a fence to prevent pedestrians from falling down a steep embankment adjacent to the sidewalk.

While the Commissioners admit that the fence is necessary for the protection of life and limb, they cannot see where the bill on the fence are. Consequently, the application was denied.

Favors "Plucking" System.

Acting Secretary of the Navy Breckman Winthrop yesterday afternoon declared himself as opposed to any change in the "plucking" system by which the number of vacancies in the naval service is annually brought up to that required by law. Changes in the operation of the plucking board are proposed by Congress.

SPECIALIST TALKS

I have practiced medicine over forty years. Twenty years of that time in the city of Pittsburgh. While I treat all ailments successfully, I make a specialty of so-called incurable ailments, such as Cancer, Typhoid, Bright's Disease, Diabetes, Gout, Rheumatism, Dropsy, Jaundice, Stomach, Liver, Appendicitis, Eczema, Epilepsy, Tumor, and all other species of worms, of which there are many. I have made, saying that in the twenty-five years that I have been in Pittsburgh, I have treated and cured more people than were given up to die and written false death certificates than any man in the country. I have positively cured some of the most malignant cancers and the most, and can show the people. I have the formula for the cure of these ailments, and have been asked by thousands of my patients what I was going to do with these formulae when I died. IF I CAN GET THE RIGHT PEOPLE, I will plant them where they will grow and bring forth fruit, that will bring happiness to many homes where I am dead and gone. I am past seventy years of age, and I have some money to invest in taking full charge of the business. Send for 48-page booklet free. Come and see at once, and if you do not find it the best investment you ever had a chance of, I will pay your expenses.

FELLOWSHIP CLUB PLANS MANY PETES

Master Masons Employed in the Bureau Springs Surprise on L. H. Troutman.

The first gathering of the Fellowship Club, composed of Master Masons employed at the Bureau of Engraving and Printing, since the election of John F. Rhodes as president, was attended by a large gathering last night at Pythian Temple.

Suggestions and plans adopted by the executive committee were reported and adopted. They include a series of entertainments, ladies' nights, addresses by prominent members of the fraternity, complimentary refreshments and speakers. A surprise sprung at the meeting last night was the presentation by Past Grand Master of Masons Claude M. Keller, an honorary member of the club, of a beautiful surfeit of Oriental papers and a set of gold cuff links to the retiring president of the club, L. H. Troutman. The presentation was made on behalf of the entire membership, and in his response Mr. Troutman thanked the members in words to be long remembered.

John H. Cowles, Secretary General of the Supreme Council of the Thirty-third degree of the Ancient and Accepted Scottish Rite of Freemasonry of the Southern Jurisdiction of the United States, who is an honorary member of the club, was present and received the cordial greetings of the members. Among the honorary members of the club are Secretary General Cowles, Past Grand Master Keller, Grand Master Geo. W. Munch, Carter R. Keene, master of Temple Lodge; D. N. Hoover, Jr.; D. N. Hoover, Jr., and Edgar C. Snyder, a popular Washington correspondent.

Following the business session of the club an excellent programme was given, which included instrumental, vocal and monologues, acts by Malcolm Horton, vocal selections by the Lafayette Quartet, composed of Samuel Skinner, first tenor; P. C. Scott, second tenor; R. La Hayne, first bass, and M. H. Morrison, second bass; a cornet solo by Charles S. Woodin, comical song songs by Charles McIntosh, a barytone solo by E. R. Hart.

"Ladies' Night" will be the attraction at the next meeting of the club, on June 15. The club is doing a good work for the Masonic and Eastern Star Home, and will give a theater benefit for this charity at the Columbia June 24.

President Rhodes announced his standing committee last night for the ensuing year as follows: Executive, President John F. Rhodes, Vice President J. A. Williams, Secretary President Bennett Treasurer G. H. Troutman, and Charles Bonner; sick, Oliver Bennett, Charles H. Bredin, and E. B. O'Hara; auditing, J. A. Williams, A. E. Thomas, and John Rhodes; and a committee of the Bureau of Engraving and Printing, G. W. Talbert, section 1; E. L. Schrack, section 2; T. G. King, section 3; P. C. Huhn, section 4; H. R. Stewart, section 5; R. B. Burrows, section 6; W. A. Kirby, section 7; R. T. Farmer, section 8; J. D. McIntyre, section 9; C. B. Cameron, section 10; E. R. Putnam, section 11; and Y. H. Harbison, night section; for engine and machine division, J. A. Williams; surface division, Fred Ehling, Jr.; numbering division, J. A. Williams; and view division, W. C. Cook; watch force division, Henry Thomas; office, custodian of presses, vault, examining, and writing divisions, C. E. Marshall.

BITES FOR THOMAS S. PURCELL.

Builder of Washington Monument Dies at Age of Eighty-eight.

Funeral services for Thomas S. Purcell, eighty-eight years of age, builder of the Washington Monument, who died of old age at his residence, 168 Rhode Island Avenue Northwest, Friday night, will be held at 9 o'clock to-morrow morning at the residence of Mrs. W. A. Kirby, 168 Rhode Island Avenue. Interment will be in Mount Olivet cemetery.

Mr. Purcell, who was one of the best stone setters in the country, supervised the laying of every stone in the Monument from the time of the laying of the second corner stone in 1880 until the completion of the obelisk. He was foreman of the work, and directly under Col. Thomas Lincoln Casey. Mr. Purcell laid the corner stones of the Patent Office and the Post-office, and was foreman of the construction of Cable John bridge. He was born in Ireland, and came to this country when he was twenty-three years of age. Mr. Purcell was married at the age of twenty-four. His wife died eleven years ago yesterday.

Mr. Purcell is survived by three sons—Thomas P. Purcell and John J. Purcell, of this city, and Richard M. Purcell, of Oklahoma; and three daughters—Mrs. Joseph McEbery, Mrs. H. J. Murray, and Miss Margaret Purcell, all of whom live in Washington.

FALLS DOWN SECOND STORY.

Dr. J. W. Pollock, Dentist, Suffers Internal Injuries in Accident.

Dr. J. W. Pollock, a dentist, with offices at 307 G Street Northwest, is in Emergency Hospital in a precarious condition as the result of falling from a second-story window early this morning. Dr. Pollock, with Dr. Edmund L. Odor, of 908 G Street, visited the Marble Hall pool room, at 615 Ninth Street Northwest, and the dentist straggled in a game of billiards. Shortly after they started to play, Dr. Odor declared that he was ill and walked to the window for air. He had been standing at the window several minutes when he lost consciousness and pitched forward, falling twenty-five feet to the pavement below. An examination at the Emergency Hospital revealed serious internal injuries, but no bones were broken.

Asks Receiver for Film Exchange.

Application for a receiver for the Washington Film Exchange, a concern engaged in the selling and exchange of moving picture films, was made yesterday by Arthur Lucas against Herbert L. Miles, his partner. Justice Wright issued a rule on the defendant to show cause by May 24, why the receiver should not be named.

Smith Would Go to Chicago.

James H. Smith, recently convicted of assaulting and robbing Morris Bennett, has expressed willingness to go to Chicago and stand trial for two murders, of which he is accused by the Illinois police. He is innocent, he says, and anxious to prove it. Smith was recently sentenced to thirty years at hard labor by Justice Anderson, in Criminal Court No. 1, on the Bennett charges.

YALE DEFEATED IN DUAL MEET

Harvard Takes Classics by 71 Points to Old Eli's 33—Boyd Sets New Record.

Cambridge, Mass., May 18.—Harvard had everything her own way in her annual clash with Yale on the track and field, humbling the sons of Old Eli at the stadium this afternoon to the tune of 71 to 33 points.

The Blues were woefully outclassed and were always hanging on to the ropes from the time that H. M. Warren won the first event on the programme, the mile run, down to the 220-yard dash, which closed the day's festivities.

Ten times did warriors of the crimson romp in at the head of the field out of the thirteen events contested. Yale's three firsts were counted in the high hurdles, the century run and the pole vault. But one new dual record was chalked up, R. St. Boyd winning the two-mile run after a spirited finish with Lyman, of Yale, in 9 minutes 29 1/2 seconds. The going was so grueling that Paul Withington, the Harvard captain, who was teased to win the grind, dropped to the siders when within a hundred yards of the finish.

The mile run was annexed by H. M. Warren, of Harvard, with T. W. Koch next, and Lawrence, the logical winner, just nodding into third place. Harvard also received a clean sweep in the half mile. E. D. Smith, an unknown, leading the bunch home in the slow time of 2 minutes.

In the pole vault Yale won all eight points. Wagoner was first with 12 feet 3 inches while his teammates, Gardner, Achilles, and Byers, were tied for the second honors.

Cable, Harvard's chunky hammer thrower, won his event handsily and also annexed the broad jump as easily. C. L. Larkin, of Yale, defeated the veteran Cummings, of Harvard, in the high hurdles, while E. B. Barlow, a dark horse, won the century dash. President Lowell was the most interested spectator at the games.

Defeats Chevy Chase in First of Series of Interclub Contest.

The first contest of a series to be played between the Bachelor Lawn Tennis Club, the Chevy Chase Club, and the Columbia Country Club, was played yesterday on the Chevy Chase courts.

The Columbians brought over an exceptionally strong team of players, headed by A. V. Leach, Jr., and succeeded in winning four singles and two doubles against two singles and one double won by the Chevy Chase team.

J. O. Moorehead, who recently won the championship of the home club, lost out to C. B. Doyle, the crack visitor, who at present holds the championship of the South. Moorehead's defense was faultless, but the perplexing attack of Doyle was more than he could withstand, and he lost the first two sets. W. D. Wilson, of Chevy Chase, defeated C. O. Leach, in a splendidly played contest, but R. W. Hill, a former champion of the home club, was downed by Davidson, in a 4-2, 6-2 contest.

The best doubles were seen in the play between Ralph Hills and E. P. Grover, of Chevy Chase, and J. C. Davidson and E. O. Leach, of the Columbia Country Club. The game was a fast one and well defended by the visitors, but Hills and his partner carried off two of three sets.

The Chevy Chase team was outclassed by the visitors, but their five playing and brilliant individual work made the game full of interest.

Summaries:

SINGLES. C. B. Doyle, Columbia, defeated J. O. Moorehead, Chevy Chase, 4-2, 6-4. E. P. Grover, Chevy Chase, defeated E. W. McLean, Columbia, 6-4, 6-2, 6-4. W. F. Wilson, Columbia, defeated E. O. Leach, Columbia, 3-4, 6-4, 6-2. R. W. Hill, Chevy Chase, defeated R. W. Davidson, Columbia, 6-4, 6-2. A. V. Leach, Columbia, defeated Dr. Spencer, Chevy Chase, 6-4, 6-2.

DOUBLES. C. B. Doyle and W. F. Wilson, Columbia, defeated J. C. Davidson and E. O. Leach, Chevy Chase, 6-4, 6-1. A. V. Leach and Arthur Slater, Columbia, defeated W. F. Wilson and Donald, Chevy Chase, 7-5, 6-2. Ralph Hills and E. P. Grover, Chevy Chase, defeated J. C. Davidson and E. O. Leach, 6-4, 6-2.

DELIGHTS LARGE AUDIENCE.

Miss Inez Tyree Ryan Gives Recital of Shakespeare.

Miss Inez Tyree Ryan, a gifted young reader of this city, delighted a large audience with a recital of Shakespearean and miscellaneous selections last night, at the residence of Mrs. W. A. Wayne, 1310 Q Street Northwest, for the benefit of the Arlington Monument Fund.

Miss Ryan is a graduate of the Hickman Dramatic School, and is a cousin of Elizabeth Tyree, the retired actress. The programme given by Miss Ryan last night was in two parts, the first part being entirely Shakespearean, including the first and second love scenes and the ring scene from "Twelfth Night," the Duke scene from "As You Like It," Portia's description of her suitors, and "Quality and Mercy," from the "Merchant of Venice." Queen of Moysa, from "Romeo and Juliet," and "Oberon" from "Midsummer Night's Dream."

The second part was made up of humorous recitations, including "Master's Motor Car," "Crawfish and Lobster," "The Confession," "Gingham Dig and Calico Cat," "The Alarm," and "Photographing the Baby." Musical selections were given between the readings by Mrs. Jesse Eliot, soprano soloist, and Miss Louise Beamer, piano soloist. A good sum was realized for the Arlington Monument Fund.

Woman Places Sanatorium.

Miss Mamie Rayne, twenty-eight years old, a patient at the Washington Sanatorium, Takoma Park, Md., eluded her nurse yesterday and escaped from the institution. Miss Rayne has been a patient there about a week, suffering from nervous prostration. Until an early hour this morning the police were unable to locate her.

SYRACUSE CREW WHIPS THE NAVY

Open Water Never Shows Between the Shells—Middle's Minors Land the Honors.

Annapolis, Md., May 18.—In a keenly contested race over a two-mile course on the Severn this afternoon, during which open water never showed between the leading boats, Syracuse defeated the Naval Academy by two seconds. The visitors hit a terrific pace at the start, reaching forty strokes to the minute, and took a lead which the Midshipmen, though struggling desperately at times, were never able to overcome. At the mile, the local men made a game effort to catch up and again a quarter of a mile from the finish, but the crew of Syracuse never faltered in the heart-breaking pace that they had set for themselves.

The second crews started at the same time, but were shaken off at about the half-mile point. Syracuse finished four lengths behind the Navy first crew, and three ahead of the Navy second. Time was not taken.

The day was partially redeemed for the Navy by the success of its minor crews. The fourth class eight defeated the Arctics of Baltimore in a mile race by over a length. The time was 4:48, that of the losers 4:55.

The Navy four won from the Arctics of Baltimore, and the Severns of Annapolis, covering the mile in 5:38. The Arctics were about five lengths behind and the Severns lost about the same margin.

TIGERS LOSE MEET.

Cornell Takes Long End of Games, 64-23 to 52-13 Points.

Princeton, N. J., May 18.—Before a crowd of 10,000 persons, Cornell defeated Princeton in their dual track meet here today by the score of 64-23 to 52-13 points.

Cornell made most of her points in the distance runs, taking first and second in many of them. Princeton won first places in the 100-yard dash, shot-put, pole vault, hammer throw, 300-yard hurdles, and the high jump. The most exciting contest of the meet was furnished by the two-mile run, in which Jones and Berns, Cornell stars, finished first and second, respectively, and Flak, of Princeton, finished third. The weather conditions were perfect.

COLUMBIA WINS TRIANGULAR RACE

Princeton Second and Pennsylvania Is Third in Big Water Event.

Princeton, N. J., May 18.—Columbia was the honors in the triangular boat race held on Lake Carnegie this afternoon. The Tigers came second after noon, while Pennsylvania came in third. A boat length gave the blues victory over the orange and black boat. Pennsylvania was lapping Princeton's stern in the same relative position when the finish was crossed.

It was the first time in thirty-two years that the three colleges had rowed together in the Chubbie cup race, and 5,000 spectators lined the banks of the lake. The weather was perfect.

At the crack of the gun, Columbia shot into the lead and clear water showed between her and Princeton. Pennsylvania hung close to the Tigers at the start, but fell a few yards behind a little later in the race.

When the last half mile of the course was reached the crews redoubled their efforts and closed up all the open water between them. Drawn close together they fought it out on the finish, but Columbia maintained her lead, crossing the line in 9 minutes 14 seconds, with Princeton second in 9 minutes 24 seconds, and Pennsylvania third in 9 minutes 30 seconds.

For a mile and a quarter course, the time of the race is rather slow. The excitement of the contest was intense, however, as the outcome was in doubt until the very last minute.

DUMBARTON TENNIS TOURNAMENT.

Georgetown Tennis Club Wins but One Match from Rivals.

Only one match was won by the Georgetown University Tennis Club in its dual tournament with the Dumbarton Tennis Club yesterday afternoon, at the winning club's courts, at Wisconsin Avenue and R Street. Howard, the one-man player of the Dumbarton, was the star of the tourney.

Dinner was served to 100 people by the club steward after the matches. Mr. McQuillan, the Georgetown Club's manager, being the honor guest. Dancing followed the dinner. Summer Sluggers-Gordon, Dumbarton, defeated Bruesch, Georgetown, 6-1, 6-2. Howard, Dumbarton, defeated O'Boyle, Georgetown, 6-4, 6-2. Graves, Dumbarton, defeated Devin, Georgetown, 6-1, 6-2. Morgan, Georgetown, defeated Maylor, Dumbarton, 6-1, 6-2. DuBois-Graves, Dumbarton, defeated O'Boyle and Bruesch, Georgetown, 6-4, 6-2. Howard and Maylor, Dumbarton, defeated Devin and Morgan, Georgetown, 6-4, 6-2.

PENN WINS MEET.

Defeats Naval Academy in Dual Games, 79 to 33.

Annapolis, Md., May 18.—The University of Pennsylvania overwhelmed the Naval Academy field and track men this afternoon, winning 79 points to the Navy's 33. The Midshipmen were disgraced over their defeat in the closest match of the season, but had the satisfaction of lowering two local records. They also secured four first and scored in all the events but the high and broad jumps.

WARNING TO PARENTS.

It is risky to feed raw milk and cream to children or invalids unless you are sure that at the farm which produces the milk the utmost cleanliness is observed at all times, particularly during milking; that the employees are thoroughly healthy and cleanly persons, that the cows are free from disease, that the water used for rinsing is of undoubted purity, and that the milk is quickly cooled and kept cold and covered until delivered to you.

Raw milk often produces Tuberculosis, Scarlet Fever, also Typhoid and other intestinal diseases.

We can guard against infection by properly pasteurizing milk or by home pasteurization.

Properly pasteurizing milk (and cream) by keeping it at 140 deg. F. for twenty to thirty minutes does not affect its nutritive value nor its digestibility. Quick or commercial pasteurization, however, is unreliable.

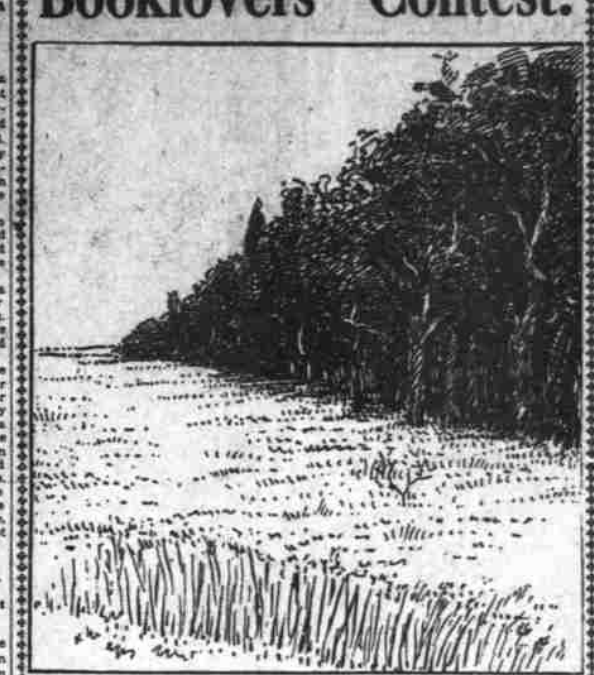

You can home pasteurize raw milk by heating it to near boiling, then cool, and keep cold and covered until used.

Most indigestion in babies is caused by milk too rich in cream.

Third Prize--Value \$500

Library from Brentano's

Those "booklovers" who love books ahead of all other affection consider the third prize in this contest as the first. A library, selected by the highest authority in the leading book shop in the world, is a gift that those who worship at the literary shrines call "adorable," and one that whets the craving of those who are in the earlier stages of the thirst for higher knowledge.

Of course, the winner of this prize will have full opportunity to consult with the Brentano management in the interest of final amendment to suit his or her taste. As the selection stands now, not a volume that would injure the thinking of a twelve-year-old girl has been permitted. The library has an actual cash value of \$500, and will be exhibited at

Randle Highlands CAPITOL OF U.S. WHITE HOUSE

DIAGRAM OF BUILDING ELEVATION

The Herald offers for first prize a lot in Thirtieth Street, in Randle Highlands. The lot has a frontage of thirty-five feet and is surrounded by the best environment in a suburban home of that character.

Randle Highlands, as shown by the comparison pyramid herewith, is higher than either the Capitol or the White House.

It is about twelve to fifteen minutes from the heart of Washington and accessible by Pennsylvania Avenue cars.

It has been rightly argued that if there is really a "Paris of America," Washington is that city. What Paris is to France, Washington is to the United States.

If the winner of the first prize shall be the possessor of a home, he or she shall own a bit of property that has a great investment prospect.
